

"The Schutzen .22 Rifle Match held on February 10th started SCSA's 19th year of this annual shoot. We had eighteen shooters, and several were new shooter, including two youth shooters who are former 4H Shooters. Jonathan Haugen, one of the youth shooters, won the Open Class with a score of 2295 out of a possible 2500. Kelly Burton won the official Schutzen Class with a score of 2346.

We shot two Schutzen targets. Bruce Stevens won the first Schutzen target, a fancy target with a picture of a Mountain Sheep scene. Our second youth shooter, Alexis Morgareidge, won the second Schutzen target, a fancy picture of a Bald Eagle scene. A great time was had by all.
